

BAPTIST RETIREMENT COMMUNITIES

Baptist Retirement Communities of Georgia began with the gift of the Wincoff Hotel on Peachtree Street, Atlanta, Georgia. Since conception the Ministry has had a clear mission:

“To provide comfortable, attractive homes and services for senior adults at an affordable price enabling them to age in place in these homes within a Christian environment.”

For nearly four decades, hundreds of families have been blessed by this ministry. Today, there are three modern communities in the metro Atlanta area. **Palmetto Park** is nestled in South Fulton County appeals to seniors seeking a quiet retreat with the close convenience of city living. **Clairmont Crest**, in Decatur, offers high rise senior living in an urban setting. **Hiwassee Park** offers mountain views far from the busy Atlanta life.
